Theoretical Perspectives

MCEO teachings presently exist on Earth as a growing body of detailed information pertaining to the spirituality and science of creation and the history and evolution of humanity. MCEO teachings offer unique perspectives, techniques and technologies of mind and spirit that have proven useful to many people in the exploration and expansion of personal consciousness. Information contained within MCEO teachings represents a cohesive paradigm of ideas, beliefs and perspectives reportedly translated from ancient texts, which together comprise an affirmative and inspirational “point of view” or “world view” regarding the tangible realities of spirituality, the mechanics of creation, the history of our universe and the potentialities of the human condition. Like many popular “New Age” and “Traditional” paradigms of spiritual, scientific and historical beliefs, many points of view presented within MCEO teachings extend beyond the framework of presently recognized spiritual/religious, scientific and historical “fact” that can be verified through common contemporary scientific procedures. *Thus, like many other popular belief paradigms, including ALL known “New Age” and “Traditional” spiritual/religious doctrines and many fields of contemporary scientific study, the perspectives presented within the MCEO teachings must, too, be presently categorized as theoretical in nature.*

The *verifiable actuality*, and thus the potential validity, of the presently theoretical spiritual, scientific and historical perspectives of MCEO teachings pertaining to the **“Ancient Science of the Shields”** (scalar-standing-wave templates of matter and consciousness), **“Merkaba Mechanics”** (interdimensional electromagnetic vortex mechanics), **“DNA Template Activations”** (frequency accretion within the scalar template behind manifest chemical DNA), **“Interdimensional Structure,”** **“15-Dimensional Anatomy,”** **“Bio-Spiritual Healing”** (support of biological healing and well being through holistic spiritual practice) and **Humanity’s Evolutionary Journey**, perspectives which are featured within the **MCEO Kathara Bio-Spiritual Healing Program**, **MCEO Maharata “Dance For” Programs** and related published works of the MCEO, cannot at this time be “proved or disproved.” Therefore, the MCEO Paradigm and its related teachings, techniques and technologies are offered to the public as a unique and inspirational view point, solely for the purpose of public investigation, consideration and theoretical exploration.

Though the presently theoretical categorization of MCEO teachings within the public sector is recognized, it should also be recognized that members of the Azurite Press, Trustees and the AP Regents Council, as well as authorized MCEO translators/authors and teachers and many individuals within the international community, have personally chosen to accept the validity of MCEO teachings as representing more than a theoretical perspective, instead acknowledging the MCEO Paradigm as a factual reality interpretation, and practical worldview, through which progressive expansion of personal consciousness and coherent spiritual awakening are fostered. Such decision as to the factual or theoretical categorization of the MCEO Paradigm, and the responsibilities inherent to this decision, are deeply private spiritual issues, and thus must be assigned to the faculties of personal discretion.

MCEO Meditations for Spiritual Exploration, Medical and Psychiatric Considerations

As the MCEO Paradigm is built upon presently theoretical spiritual, scientific and historical perspectives, any and all techniques and technologies offered through the MCEO Paradigm must also be considered as presently theoretical in nature, and thus any and all techniques and technologies presented within MCEO teachings are ***not intended to diagnose, treat or cure any disease or illness, nor are they intended as substitution for professional medical or psychiatric advisory or treatment.*** Techniques and technologies provided within MCEO teachings are offered to the public solely as ***"Meditations for Spiritual Exploration,"*** with the intention of assisting to serve the further evolution of human consciousness through providing exposure to an expanded range of perspectives and potentialities. **It is strongly recommended that individuals having a history of medical or psychiatric difficulties, or whom are presently under the care of medical or psychiatric professionals, seek professional advisory before using any MCEO Meditations for Spiritual Exploration techniques or technologies.**

Since introduction of *MCEO Meditations for Spiritual Exploration* techniques and technologies in 1999 many people have claimed to receive beneficial affects and effects in the development and expansion of personal consciousness and spiritual awakening through use of MCEO techniques and technologies. There have also been a lesser number of reports of individuals claiming to receive no affect, effect or benefit at all, but there have been ***no reports of individuals claiming adverse medical, psychiatric or psychological affects or effects*** in conjunction with use of MCEO techniques and technologies. As a reflection of commitment to responsibility in presentation, MCEO techniques and technologies are not presented for exploration in the public domain until they are first and/or simultaneously explored, utilized or practiced by authorized MCEO translators/authors/ teachers and members of the Azurite Press Board of Directors. Though validation of factual actuality pertaining to affects, effects or benefits of practicing MCEO Meditations for Spiritual Exploration techniques and technologies must, like the techniques and technologies themselves, for the present time remain within the realm of theoretical exploration, it can be reported that since 1999, findings pertaining to the practicality of utilizing MCEO techniques and technologies have consistently revealed that affects and effects of such practices are ***quite individualized, though predominantly positive,*** in nature. Therefore, however, ***no claims, promises or guarantees as to the affects, effects or benefits an individual might expect to encounter through use of MCEO techniques and technologies can be offered at this time.*** Utilization of MCEO Meditations for Spiritual Exploration techniques and technologies presently remains within the category of ***experimental self-exploration,*** through which absolute conclusions regarding generalities of mass affect, effect, benefit or detriment cannot yet be drawn. ***An individual's involvement with MCEO teachings, techniques and technologies represents a choice of personal decision and discretion, and thus responsibility pertaining to affect and effect of practice that are inherent to this choice must also remain with the individual.***

Claim of Authenticity

In offering MCEO teachings for public exploration, ***neither the translators/authors, publishers, promoters or related individuals and organizations make any claims whatsoever as to the factuality of ideas or perspectives contained within the MCEO Paradigm.*** Though the *MCEO teaching texts themselves* do on occasion claim that certain ideas and perspectives are of a factual nature, such claims represent points of view intrinsically contained within the ancient texts from which contemporary translations are drawn. The authorized translators/authors of contemporary MCEO teaching texts hold a binding commitment to ensure the clearest and most accurate translation of MCEO texts as possible under current evolutionary circumstances; a *commitment to clarity and accuracy of translation* that must include the allowance of contemporary translation of any *claims of factuality as they are contained within the MCEO texts of antiquity.* Information represented as ***factual knowledge within the MCEO texts of antiquity, and their contemporary translations, is understood to represent "potential or possible factuality, expressed as factuality within the ancient texts, but which presently resides within the domain of theory"*** within the context of contemporary publication.

The contemporary translators/authors of MCEO teachings ***claim only*** that the MCEO text translations contained within presently published works bearing their authorship represent an "as-accurate-as-possible" translation of

MCEO text records believed to have been created in ancient times, which the contemporary translators/authors have had opportunity to review through *authentic personal experiences*. Translators/authors thus make claims only as to the authenticity of their personal experiences through which review of ancient MCEO text records occurred and as to the factuality that translation of the reviewed ancient MCEO texts into contemporary English language has been rendered by them as clearly and accurately as possible.

As the original MCEO texts of antiquity are not presently in the direct possession of authorized contemporary translators/authors, and thus contemporary translators/authors cannot at this time publicly display these artifacts in order to validate the reality of their continued existence and verify their inherent content, those who explore contemporary MCEO texts translations must understand that such works are presented as theoretical perspectives and possibilities, the validity of which one may choose to believe, or disbelieve, upon the merit of one's personal discretion. ***If ideas, concepts or perspectives contained within the MCEO texts, their contemporary translations or related teaching materials bear any resemblance to ideas, concepts or perspectives contained within any other presently known spiritual/religious, scientific or historical paradigms or teaching systems, such resemblance is purely coincidental.*** However, the event of such coincidence arising may potentially suggest that both the MCEO Paradigm and paradigms to which it might bear resemblance **may have arisen from a common source in antiquity** that has yet to be discovered or scientifically verified, but which would upon discovery lend credence and clarity to such coincidence.

Terms, Conditions, Agreements and Implied Consent

As contemporary MCEO text translators/authors can make no claims or promises as to the factuality of ideas and perspectives presented within MCEO teachings, they likewise **cannot offer any claims, promises or guarantees as to the affects or effects that may or may not arise through personal use of MCEO teachings or Meditations for Spiritual Exploration techniques and technologies**. The responsibility for decision to engage involvement with MCEO teachings, techniques or technologies rests with each individual, and thus the responsibility for any affects or effects that may or may not occur in conjunction with use of MCEO teachings, techniques and technologies must also rest with the individual. The *Meditations for Spiritual Exploration* techniques and technologies provided within MCEO teachings represent translations from the ancient MCEO texts, and are provided to the public as an **option for personal spiritual exploration, investigation and experimentation, to be utilized at the personal discretion of the reader or workshop attendee**.

As stated in numerous public forums and workshops since 1999, ***in choosing to utilize MCEO teachings, techniques or technologies it is understood that in so doing the individual accepts full responsibility for any and all conditions that may or may not occur in conjunction with such practice.*** It is further recognized that the individual, ***through the act of utilizing MCEO teachings, techniques or technologies, thereby through this act agrees*** to release Azurite Press, Trustees, the AP Regents Council, authorized Kathara Bio-Spiritual Healing Program teachers and facilitators (pertaining only to MCEO-sanctioned Kathara "no-touch" procedures), authorized MCEO translators/authors, teachers, promoters and any individuals and organizations thereto related, from any and all claims of liability or damages perceived or assumed to occur in conjunction with involvement in MCEO teachings, techniques or technologies. This statement of Terms and Conditions represents a written ***Notice of Implied Agreement and Consent to Liability Release*** in regard to involvement with MCEO teachings, techniques and technologies. This Notice of Implied Agreement and Consent of Liability Release represents a ***reiteration in specific written format*** of previously provided notice as to the ***necessity of taking personal responsibility for any and all consequences arising from chosen involvement with the MCEO Paradigm***; notice which has been frequently provided verbally in public forum since 1999. It is recognized that the ***Implied Agreement and Consent to Terms and Conditions of Liability Release*** stated here within is accepted and enacted as such ***upon the act of chosen involvement with and/or practice of MCEO teachings, techniques and technologies***. If one is uncomfortable or in disagreement with this stated ***Notice of Implied Agreement and Consent to Terms and Conditions of Liability Release***, it is suggested and recommended that one choose at this time non-involvement with MCEO teachings, techniques and technologies, until a future time wherein such concerns have been assuaged.

A Commitment to Quality and the MCEO Course-book Manuals

The authorized MCEO translators/authors, members of the MCEO, Azurite Press, Trustees, Regents Council, teachers and promoters of the MCEO Paradigm extend their greatest efforts in making MCEO teachings available for public exploration in **the most responsible and respectful manner possible**, whilst striving to maintain the **highest standards of integrity in MCEO text translation and teaching**. Intrinsic to such responsibility in presentation, authorized MCEO translators/authors, members of Azurite Press, Trustees, Regents Council and authorized teachers and facilitators of MCEO programs are all individuals who personally believe in the factuality of the MCEO Paradigm and who actively participate, for personal spiritual reasons, in MCEO programs, including personal utilization of MCEO techniques and technologies. These individuals all share a **common commitment to achieving and maintaining integrity, quality and responsibility in public presentation of MCEO teachings**; this shared commitment arises from a commonly shared, individually held, reverence, respect, appreciation for, and belief in the validity of, the MCEO Paradigm, its inherent teachings of personal spiritual self-discovery and the limitless potentialities of human consciousness that this paradigm suggests.

On behalf of this commitment to quality, may it be understood that **MCEO Course-book Manuals**, as featured within the MCEO *Kathara Bio-spiritual Healing Program*, MCEO Maharata "Dance For" Programs, MCEO Masters Templar Stewardship Initiative Program and other MCEO teaching programs, **do not represent completed books**, but rather exist as **companion text briefings** that are created in conjunction with **specific corresponding live workshop presentations** which are preserved via **audio/ video recordings** that are made available on the *Azurite Press Products List* as specific Program Sets. The Course-book Manuals that accompany some of these audio-video workshop programs **contain only the charts, graphs and most pertinent information pertaining to their corresponding audio-video program**, and **do not contain the many pages of dialogue and detailed explanation** that is incorporated verbally within the audio-video program. Thus MCEO Course-book manuals are not intended to be used alone, but are rather intended for use as an **additional educational aid in conjunction with their corresponding audio-video workshop program**.

As new MCEO workshop materials are often released and translated during live workshop presentations, the corresponding Course-book Manuals and their inherent graphs and charts often reflect the immediacy of the new information provided in that they are initially rendered "**in-the-rough**," often with portions of text in hand-written form, not yet "perfected" for book publication with appropriate dialogue text detail, typesetting, computer graphics, pagination and indexing. As each new workshop since 1999 has introduced the next level of new, live MCEO data translations, there has been insufficient time to "move backward" and perfect the quality of production pertaining to MCEO Course-Book Manual texts from previous workshops. The information and new MCEO teachings contained within each workshop program always reflect the standards of integrity and quality inherent to the MCEO Paradigm, but often timely public release of new materials is achieved at the expense of quality in product production. **The Azurite Press staff apologizes for any inconvenience that such "data-in-the-rough" may cause; however, if workshop programs were withheld from Product List release until their audio/video recordings and corresponding Course-book Manuals were "perfected" in terms of product production, it would be several years before these materials were released for public review.** As new MCEO teachings are often time-sensitive in regard to the unfolding of planetary events, especially since 2000, it has been of greater priority during this time to expedite availability of the MCEO teachings contained within the products, than it has been to demonstrate the standards of excellence in quality product production that remains a goal of Azurite Press.

For the time being, MCEO audio-video-Course-book Programs are in a **state of continued evolution**, as the small staff at Azurite Press, with the assistance of numerous individuals who volunteer their time and talents, endeavor to compile dialogue transcripts and perfect typesetting, computer graphics and format organization of previous MCEO workshop presentations in effort to fulfill the goal of creating "perfected" book publications that contain, and "do justice to," the vast body of quality teachings that have been presented during the 1999-2003 MCEO workshops. The commitment to achieving excellence in quality of production, as well as quality of information, that is held by members of Azurite Press staff arises from the personal desires of staff members to "honor the spirit of the teachings" which they have found personally valuable, as well as from a desire to provide the best possible quality of product and service in

spiritual respect to the public. Until the goal of achieving "perfected" product production quality is actualized, Azurite Press staff hopes that the public will share in the recognition that it is the **quality, and inherent substance, of MCEO information, more so than the "package that it comes in,"** which demonstrates the value of Azurite Press MCEO educational products.

DhA-ya-TEi Codes, Cos-MA-yic Contracts & TanTric Shield Activation

1. The Adashic Record

'Adashic Record' is the Cos-MA-yah Flame Vapor Eta-ur "Ether" non-substance field of consciousness that permeates all things in manifest Cos-MA-yah Body of God-Source. It carries a replica radiation encryption of the core Reishaic/ Akashic/ Ecoushic Record (core crystal and 1st of 1st 8 cells) and Core Reishaic Halls of Records (1st 8 cell clusters), and also records a radiation imprint of every expressed probability variation to the Core Record, that occurs as a result of Free Will Choice.

The Core Reshaic Encryption is immutable and cannot be distorted whereas the Adashic Record Vapor can carry Dha-na-Co-HarA (karmic imprint) distortions. The Adashaic Record Vapor "breathes" – it expands as core probabilities fragment into small quanta and move away from each other (such as in what ultimately occurs in final fall "space-dust return") and it contracts as core probability fragments draw back together into the wholeness of the original Krysted Core Encryption (such as in what ultimately occurs in Krystic Ascension, when quanta of consciousness leave the Manifest Body of God-Source") and returns to full non-manifest At-One-Ment within the Ah-yah Eternal Consciousness Field of God-Source.

2. The Halls of Adasha

Just as the Core Reishaic/ Akashic/ Ecoushic Record 1st Memory Matrix Cell of the Spirit Body have their corresponding "1st 8 Cell Cluster" of "Halls of Records" the Adashic Record also corresponds to a set of "Halls" called the "Halls of Adasha".... However, as the Adashic Record permeates all manifest energy, consciousness and form as an "impressionable field of living consciousness vapor" it does NOT hold a centralized structure form like that of the Core Reishaic/ Akashic/ Ecoushic Records. In relation to the Core Records, it is their centralized structure that gives rise to the greater structures of their corresponding "1st 8 Cell Cluster" Halls, and thus provides specific centralized locations within which the Core Halls of Records can be visited and their internal materialized holographic realities experienced.

Without confinement to a centralized structure of organization the Halls of Adasha operate differently. The materialized Spherical Holographic Reality Domains and Space/ Time locations that are characteristic to "Record/ Memory Matrix Halls" of any kind still correspond to the reality fields of the Halls of Adasha, but unlike the structured "Core Halls", the "Adasha Halls" are NOT "fixed" to specific locations in Space-Time. Rather, the Adasha Halls can "open for visitation and exploration" in any domain space-time location, as long as the "between domains" Aurora Fields and their corresponding fields of "between states matter" (such as the outer- middle Ah-SA-yas matter-state) are opened into a domain through the frequency spectra of the Eternal Cos-MA-yah Flame.

When a Space-Time Coordinate in any domain field has activated access to the between-state Aurora Fields and to the Cos-MA-yah Flame Field and Ah-yah-YA "Dream Stream" frequency spectra, the Adashic Record encryption carried as Cos-MA-yah Vapor in that domain space-time coordinate "arranges, coagulates, and binds" the domain coordinate frequency spectra with its pure original Krystic Core Encryption held within the Aurora Continuum Frequency Spectra. In blending the frequency spectra of the domain coordinate with its original Krystic Aurora Continuum Frequency Spectra through the Cos-MA-yah Flame and Ah-yah-YA Frequency Spectra a new set of Trans-Time Spatial Reality Fields literally materialize, linking the domain space-time coordinate with its Aurora "perfect expression" through a set of materialized transcendent dimensional planes called the "DhA-ya-TEi Planes".

3. The DhA-ya-TEi Planes of the Halls of Adasha and the Adashic Archive

The materialized transcendent DhA-ya-TEi planes open and *structurally organize* around a core concentration point of Adashic Recorded, Encoded, Cos-MA-yah Vapor, which is drawn to, adheres to and crystallizes around the centrally structured form of the Aurora Core Reishaic Record Halls. This now-centralized point of core Aurora Adashic Reishaic Record Crystallization is called the Cos-MA-yah Blue-Flame Fire-Water Crystal; it is also often referred to as the Adashic Archive. From the Adashic Archive central point, the "Halls of Adasha" then materialize following the "1st 8 Cells structure" of "fixed point" Record Halls.

4. The Adashic Archive, Halls of Adasha and Cos-MA-yah Memory Matrix

In the organisation of centrally structured *Domain* Record Halls, the information/ encryptions stored in those Halls (and thus available to access from within them) is limited to the *Core Reishaic Encryption* corresponding to the Domain; the records/ encryption of the Aurora Field, Wha-Field, the Cos-MA-yah Field and Ah-yha (God-Source Consciousness Field) are NOT stored within the centrally structured *Domain* Records and Halls. Under usual circumstances of "Domain Evolution", these 4 Elements of the "Ma-Sha-ya-Hanic Record" each exist as dormant radiation encryptions within their respective frequency spectra and consciousness fields, and do NOT exist in a "materialized", manifest or accessible form.

However, under the specialized circumstances of "opening the DhA-ya-TEi Planes (such as in domain host evac' events), when the *Domain Frequency Spectra* and its *Adashic Record vapor* and the *Aurora Continuum* between-planes *frequency spectra* blend together through the *Cos-MA-yah Flame* and *Ah-yah-YA frequency spectra* for DhA-ya-TEi plane activation, the "4 Elements of the Ma-Sha-ya-Hanic Record" come together within the Adashic Archive and open within the Halls of Adasha in the Aurora DhA-ya-TEi planes. It is only at such times that the Ma-Sha-ya-Hanic Record becomes available within the Domains of the "*Cosmic Manifest Body of God-Source*".

5. The Adasha Halls, Ma-Sha-ya-Hanic Record (MHR), the Cos-MA-yic Mission and the "Resident DhA-ya-TEi"

Accessing the Ma-Sha-ya-Hanic Record is of great value to the expedited Krystic Re-evolution of consciousness incarnate within the Domains. Within the 'MHR' exists the indelible radiation encryption of a beings' (or planets, universes, etc.) entire "family of consciousness" and all eternal "past/ present/ future/ probable" history.

On the personal level, a being gifted with the opportunity to begin consciously learning of the "eternity of its condition", through visiting the Adasha Halls and exploring the MHR, will be able to access and activate the core of its Cos-MA-yic Mission within the current domain-incarnate lifetime.

A beings "Cos-MA-yic Mission" contains the encryption of its "manifest purpose and completion", the point in general Krystic Re-evolution that occurs only when one has fulfilled the "5 Stages of KEi-Ti Awakening" (each with its "6 Phases") and Adasha-KEi-Ti Fulfillment to become an Eternal Life Dhani-Ka-LA'-a/ Core Krystar-2 "Universal Logos".

Activation of a beings "Cos-MA-yic Mission" begins the process of progressively "opening the trans-time frequency lines" between every domain-incarnate aspect of itself, within the protective fields of its Cos-MA-yah Identity and Aurora DhA-ya-TEi Planes. Once a beings' "Cos-MA-yic Mission" has become activated within its current-life Spirit Body structure, (thus DhA-ya-fying the Spirit Body), the DhA-ya-fied Spirit Body will begin progressive, accelerated, alignment of the beings Light Body and Mental Body, Physical-Elemental Body, Etheric Body, and Rasha Body structures, expediting DhA-ya-fication of the entire Reishaic Identity and Anatomy through the current-life incarnate body.

When personal-Stage-1 Dhan-KEi-Ti Dha-ya-fication has been achieved and the personal level of the "Cos-MA-yah Mission" pertaining to the current-life incarnation has been fulfilled, the "incarnate DhA-ya-TEi" or Stage-1 DhaNi-Luma (personal Logos) can then leave incarnation within its Domain System re-evolutionary cycle, and take up residence within the Aurora DhA-ya-TEi Planes corresponding to the space-time coordinate from which the being crossed into DhA-ya-TEi Planes.

Once a "Resident" DhA-ya-TEi within the "Cos-MA-yah Councils" of the Aurora DhA-ya-TEi Planes, the Stage-1 DhA-ya-fied being can then continue its progress in KEi-TEi Awakening Stages 2 through 5, while enjoying the manifest/materialized "perfection" of the DhA-ya-TEi Planes. As resident of the DhA-ya-TEi planes the being will have continued, open, access to the 'MHR' and Halls of Adasha, for continued learning, growing and expedited Krystar Ascension.

6. Incarnational Purposes and Contracts, the Cos-MA-yic Mission and the "1st Existence Contract" and DhA-ya-fication

Once the Cos-MA-yic Mission and Dhan-KEi-Ti "DhA-ya-fication" process has begun for a domain incarnate, the "Holographic Life Projection" (experienced material-world life content) of the incarnate begins to progressively align with the beings' Cos-MA-yic Mission Encryption. The encryption of the Cos-MA-yic Mission will rapidly "clear and override" any "smaller missions" (such as those associated with "Domain Karma processing and repeating" or more localized personal and planetary "learning and service missions").

Every being incarnates into a given space-time life circumstance for very specific purposes, with an agenda of fulfilling specific "learning endeavors" for personal and collective growth. Incarnation is "ordered and designed" as a "free will probability field", in which certain conditions are "fixed/ set" in that lifetime as a "core mission purpose" around which "probable versions" of that mission are selected through conscious free will choice(s). All beings enter incarnation via personally chosen, pre-birth Birthing Contracts which are made with other beings incarnating in the same reality field.

All *Birthing Contracts* contain within them various smaller contracts, such as Local Mission Contracts (which occur in both Krystic and Fallen Agendas), Karmic Contracts (finishing what lessons were left unfinished in other life times), Healing Contracts (personal and collective) and Local Service Contracts, etc. All beings originally entered their "*simultaneous incarnate cycles*" from and through the Eternal Core Encryption of the Krystic Eternal Life Contract so, regardless of how "Lost or fallen" one or numerous incarnates have become, the Core Eternal Mission in Domain Incarnation is the Kryst Mission Contract, which is an "Existence Contract" with God-Source Consciousness Field (Ah-yah "Unutterable One Source"), that next "step down" into the Cos-MA-yic Core Cosmic Domain and expands outward in re-evolutionary space-time experience into the Outer Domains, through initial Ma-Sha-ya-Hanic Cos-MA-yic Mission Contracts.

One of the Core Intentions of all beings "1st Ma-Sha-ya-Hanic Cos-MA-yic Mission Contract" is to fulfill Krystic Expansion from the Core to the Outer Domains, and then to return to wholeness and unity with the Ah-yah Field through the process of organic Adashi-Return Krystar Ascension.

Whatever free will choices a beings simultaneously incarnate domain selves may make, the "1st Ma-Sha-yah-Hanic Cos-MA-yic Kryst Mission Contract" carries the "Eternal Contract Override" implied by the "Existence Contract", a consciousness made with God-Source in order to individuate and experience manifest reality. This "1st Existence Contract" also implies by indelible encryption that "free will choice" will always be balanced by the dynamic of "action and consequence to action", and through this dynamic the "Kryst shall always prevail". A being can return to God-Source through organic Krystar Ascension, or it can choose a "path of fall" via misuse of free will and return as "unconscious space-dust fragments", but the "fact of return to Source" is NOT negotiable; it is implied within the "1st Existence Contract".

When an incarnate being of any path chooses to enter the Krystar Path of DhA-ya-fication, their original "1st Ma-Sha-ya-Hanic Cos-MA-yic Kryst Mission" and "Existence Contract" begins to "come on-line" with the incarnates life and consciousness, body and "external hologram", realigning and accelerating all smaller "local contracts" with the beings "1st Existence Contract".

7. The "Benders", the "Menders" and the "Blenders"; Cos-MA-yic Contracts, the Ma-jhi-Ta, the Faun-TE'-jha and Tan-Tri-A'-jha Councils of ShA-DhaL-uun

As part of every beings' "1st Ma-Sha-ya-Hanic Cos-MA-yic Kryst Existence Contract", a "Core Ma-Sha-ya-Hanic Mission Encryption" exists as the "1st Core Existence Intention" upon which the "probability options" included within the "1st Existence Contract" are selected and structured. Some, but NOT all beings choose their "1st Existence Contract" Probability Options to include membership within the Ma-Sha-ya-Hanic Cos-MA-yah Councils of "Cosmic Elemental Command" (the ShA-DhaL-uun being one such member-collective of these Cos-MA-yah Councils). Beings who chose membership in "Cosmic Elemental Command" Councils received (upon 1st entry into manifestation) very specific sets of Encryption Codes, called the "DhA-ya-TEi Codes", within their "1st Existence Template", that when activated would allow them to enter the "Path of the DhA-ya-TEi" via KEi-TEi Awakening fulfillment.

There are various forms of "DhA-ya-TEi Codes", each pertaining to specific "1st Existence Mission" choices. Those carrying the "Codes of ShA-DhaL-uun Elemental Command" (a Ma-Sha-ya-Hanic Cos-MA-yah Code Set) are "contracted" for Krystar Ascension via the expedited path of re-evolution within the DhA-ya-TEi Planes. In "exchange" for this "special privilege" of more rapid re-evolution, they also carry a deep commitment and "Mission Commission" to offer Elemental Host Service to Space-Time Domain Systems in need of such evolutionary intervention.

The ShA-DhaL-uun Cos-MA-yah Councils have 3 Primary Council Divisions (whom all work together); the "Ma-jhi-Ta" Elemental Command "Benders" and two sub-divisions of this Council, the faun-TE'-jha "Menders" and the Tan-Tri-A'-jha "Blenders".

In simple terms: The "Ma-jhi-Ta" Benders carry access codes in their template (and material DNA once the template is activated) that allows them to run specific Cos-MA-yah Ah-yah-YA "Dream Stream" currents directly from the Ah-yah (God-Source Field) through the DhA-ya-TEi Planes Adashic Archive and the Halls of Adasha and into direct, co-creative Krystic Domain-Manifestation.

The "Faun-TE'-jha" sub-council of the Ma-jhi-Ta "Benders" carries specialized Ma-jhi-Ta DhA-ya-TEi Codes that are "core base-electrical" and facilitate healing through transmutation; they are thus known as the "Menders" (the Faun-TE'-jha Shield will activate during 10/ 2011 India Shields Clinic).

The Tan-Tri-A'-jha Bender sub-council carries specialized Ma-jhi-Ta DhA-ya-TEi Codes that are "core base-magnetic" (also called the "empath codes") that allow them to "merge or fully blend field with" the fields of other beings and systems, to facilitate healing through "restoration of absolute-unconditional love" ("state of pure vibrational harmonization" via co-resonant harmonics). The Tan-Tri-A'-jha are known as the "Blenders". (The Tan-Tri-A'-jha Shield is activating during the 08/ 2011 workshop period).

8. Councils, Codes and Contracts; the “Ma-jhi-tic Twins” (Faun-tic & Tan-Tric Twins)

Both the Faun-TE'-jha (Menders) and Tan-Tri-A'-jha (Blenders) Sub-councils of the Ma-jhi-Ta (Benders) Elemental Command Councils work in “Consummate Ma-jhi-tic Twin” pairs when incarnate into a space-time system *in which they intend to fully activate* their DhA-ya-TEi Codes. They will incarnate physically into the same space-time system coordinate, and when the linear time period arrives for DhA-ya-TEi Code/ Contract activation, the 2 incarnates will seemingly “magically be brought into each other's lives” to begin their co-shared Code Activations.

If a particular “Ma-jhi-tic Twin” pair are not intending to *fully activate* their DhA-ya-TEi Codes in a particular incarnate life-time, only one may physically incarnate in that space-time coordinate, and partially activate “their personal ½” of the “twin set Ma-jhi-Ta DhA-ya-TEi Codes”. Upon the end of such a life-time, the “single twin” can sometimes sufficiently activate their DhA-ya-TEi Codes to engage physical/ atomic transfiguration into the DhA-ya-TEi Planes. If they cannot achieve sufficient singular code activation levels alone, they will choose Kryst Bardoah and immediately pass in Luminary Body into the DhA-ya-TEi Planes. During the incarnate life-time of the single Ma-jhi-Ta Twin, many “smaller twin” relationships, with their corresponding contracts and missions, can be experienced and enjoyed.

When a Ma-jhi-tic Twin pair does incarnate into a system for full DhA-ya-TEi Code Activation they will be “drawn into each others lives” (in one way or the other) in order to fulfill their shared “Cos-MA-yic Mission”. If they succeed in full Twin-DhA-ya-fication, together both will be able to engage physical/ atomic transmigration to travel together into the DhA-ya-TEi planes. When Ma-jhi-Ta twins “share their codes” in physically intimate exchange their “active union” literally, temporarily, “opens the gates” to the DhA-ya-TEi Planes, allowing them to share temporary passage together into the DhA-ya-TEi worlds to “visit” and for “final passage”.

NOTE: Ma-jhi-Ta Twin pairs are “Elemental Command Consummate Twins” and can be male + female, male + male or female + female.

There are differences between the dynamics of Code Combining between the *Faun-TE'-jha Mender* Twin Sets and the *Tan-Tri-A'-jha Blender* Twin Sets, and different levels of “Mission Command” within each. Some Ma-jhi-Tic Twin Sets have smaller scale Command Contracts, while other Sets hold “Master Service Contracts” that affect larger masses of domain consciousness.

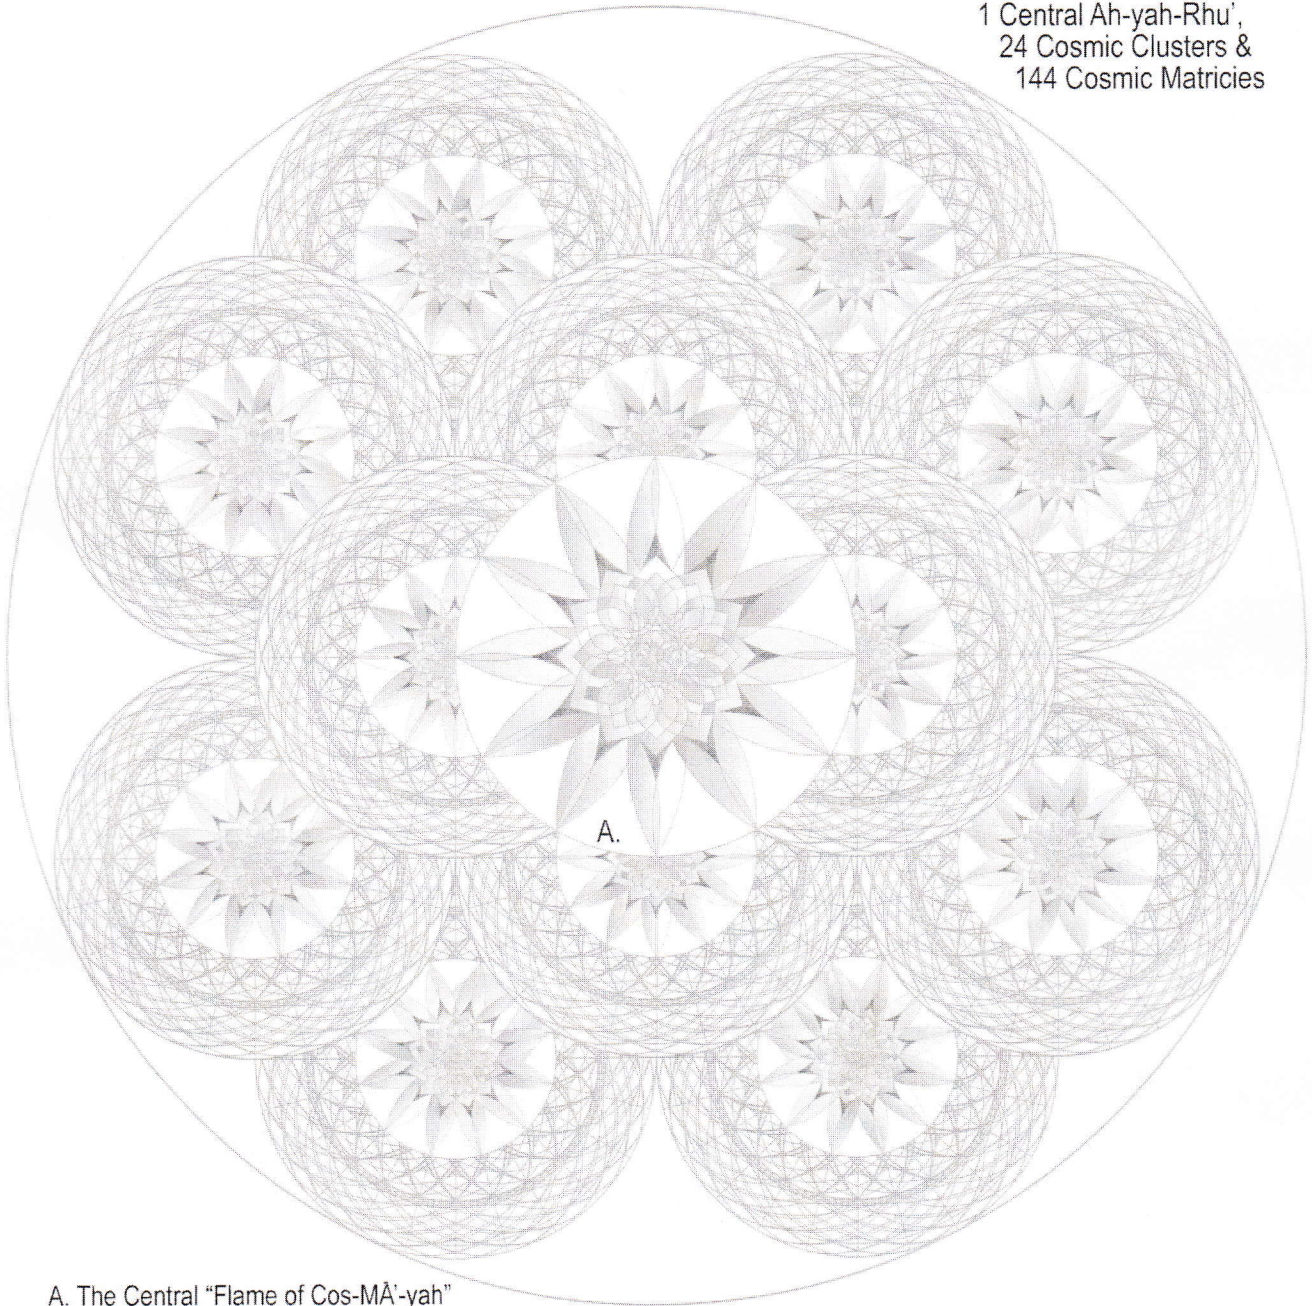

Both ‘Faun-TE-jha’ and ‘Tan-Tri-A'-jha’ Twin Pairs hold service contracts that are essential to assisting the Krystic re-evolution of many masses of beings in multiple, simultaneous, time periods. The *Faun-TE-jha Councils* specialize in “Master Healing Contracts” (of people, plants, etc.); the *Tan-Tri-A'-jha Councils* specialize in “Master Hosting Contracts” due to their unique coding ability to “fully blend field with others” when activated and united.

The “Tan-Tric Twin” Sets of the *Tan-Tri-A'-jha* Councils are able to fulfill the “Dance of Merging” when intimately engaged through the duration of their co-shared DhA-ya-TEi Awakening and Fulfillment. When the Tan-Tric twin couple engages intimately their field can fully merge and blend while retaining a “replicate field” of each individual twins' coding & quantum ; thus they are able to “amplify quantum” in a way other Ma-jhi-Ta Twin Sets cannot, becoming “more than the sum of their parts!” Due to this unique coding ability, Tan-Tric twin couples, when united, can create a Standing Wave Field that opens and holds open a doorway to the DhA-ya-TEi Planes that others, without full DhA-ya-TEi Code Encryption, can pass through in Hosted Evac' Ascension into the DhA-ya-TEi Planes.

Probability Dominions, the KEi-Ti Membrane Dha-na-Co-HarA Disharmonic & the "Karmic Template"

The organic KEi-Ti Membrane surrounds and encases each space-time-matter probability dominion as an "energetic etheric-rasha skin."

The Dha-na-Co-HarA Disharmonic forms as an inorganic "mesh" of etheric-rasha particulates within the KEi-Ti Membrane, forming the "Karmic Template."

KEi-Ti Membrane: The KEi-Ti Membrane is an organic aspect of Spirit Body anatomy; it is an "energetic skin" composed of (D-1,4,7,10,13) Etheric and Rasha Dark-Matter particulates surrounding and encasing each of the 12 Probability Dominions and the Central Actuality³ "Bud" Dominion. This membrane separates each space-time-matter probability dominion (and each individual incarnate identity) from the others, allowing for Linear Delineation of Space-Time Life/Evolution Cycles within the context of Simultaneous Manifestation within "Eternal Now Time."

Dha-na-Co-HarA Disharmonic: (DCD) is an accumulation of inorganic Etheric-Rasha particulates that form within the KEi-Ti Membrane through the use of Free-Will Choice in ways that are disharmonic to the Organic Eternal Life Encryption of the Spirit Body; these disharmonic particulates form an "embedded mesh" of inorganic encryption distortions within the KEi-Ti Membrane, which functions as the "Karmic Template" of Spirit Body anatomy.

The 6 Phases of Density Fulfillment in Stage-1 (personal) Dhan-KEi-Ti Awakening

(NOTE: "Personal Awakening" means sequential activation of the personal Dhan-KEi-Ti Membrane Layers and corresponding Dha-na-Co-HarA Karmic Imprint Activation and Clearing).

The Dhan-KEi-Ti Membrane has 3 layers: Dhara, 1-7 / 4-10; MŪ-Ra, 2-8 / 5-11; En-TŪ'-Ra, 12-6 / 3-9, on each of 6 Density Levels:

KB-1 DN-1	Dhan-Kini (1 Incarnate = 12 Probable selves)
KB-2 DN-2	Dhan-Kartha (12 Incarnates = 1 Soul = 144 Probable selves)
KB-3 DN-3	Dhan-RAijha (144 Incarnates = 12 Souls = 1 Oversoul = 1728 Probable selves)
KB-4 DN-4	Dhan-KhŪmi (1728 Incarnates = 144 Souls = 12 Oversouls = 1 Avatar = 20,736 Probable selves)
c KB-5 DN-5	Dhan-Reishi (20,736 Incarnates = 1728 Souls = 144 Oversouls = 12 Avatars = 248,832 Prob. selves)
KB-6 DN-6 Adashi-1	Dhani-LUma (248,832 Incarnates = 20,736 Souls = 1728 Oversouls = 144 Avatars = 2,985,984 Probable selves)

(Completion of personal Dhan-KEi-Ti Awakening for Krystar Ascension to Adashi-1)

"Dhan-KEi-Ti Awakening" thus contains six phases of Density Fulfillment, each of which completes 1/6th activation of the 3 Dhan-KEi-Ti Membrane layers in Stage-1 Dhan-KEi-Ti Awakening.

Each of the 6 Phases of Density Fulfillment contains 1/6th of the 3-Layer Dhan-KEi-Ti Membrane Activation (1 – Dhara, 1-7 / 4-10 1/6th act'n; 2 – MŪ-Ra, 2-8/5-11 1/6th act'n; and, 3 – En-TŪ'-Ra, 12-6 / 3-9 1/6th act'n).

Completion of Stage-1 Dhan-KEi-Ti Awakening thus occurs through progressive attainment of each of the 6 Phases of Density Fulfillment through a total of 18 (6 sets of 3) sequential 1/6th layer Dhan-KEi-Ti Membrane Activations.

The “Bliss State” occurs when existing conscious-identity level transmutes its Dha-na-Co-HarA Karmic Template and activates the corresponding density level of the personal KEi-Ti Membrane (Dhan-KEi-Ti), allowing for “freedom from the corresponding density time-cycle” via merger of the corresponding 12 probabilities into the “Central Bud” Buddha-state Actuality Dominion.

Embodying a “Bliss State” is characterized by release of the corresponding level of “EGO/personality/finite identity” as it expands to encompass a “state of at-one-ment/at-tune-ment” with “All That Is” within that density level – the “I AM This – All” constitutes release of polarity, separation and return to unity for that level. This can feel like a “mini-death” of the small/finite self/personality/ego and re-birth of the Eternal God-Self.

Personal Dhan-KEi-Ti Awakening can be expedited by KEi-Ti Template Activations for the 3 Layers of the KEi-Ti Membrane (1. Dhara, 1-7, 4-10; 2. MŪ-Ra, 2-8, 5-11; 3. En-TŪ'-Ra, 12-6, 3-9).

The Mashayahana Master Council Elemental Adept Cloisters and incarnates carrying the “Codes of Elemental Ma-jhi” have, at various points in history, been referred to as the **“Ma-jhi-Ta”** (Ma-jhĒ-Ta), also known as **“Benders”** – a term referring to their abilities of “Elemental Command,” through which they could “Krystically Bend” and “Directly Co-create With” the Laws of Multidimensional Eternal nature (once they achieved full actualization of their Ma-jhi-Ta Codes).

The “Rite of ShĀ-DhaL-uun” represents passage into the **“Path of the Ma-jhi-Ta Adashi Adept”** which is the most accelerated path of Krystic Re-Evolution that is available to all “Three paths of the Kryst” through the ShĀ – DhaL – uun Rite.

The Ma-jhi-Ta “Benders” Councils have 2 Sub-divisions, the **“Faun-TE’-jha”** “Menders” (healers) and the **“Tan-Tri-A’-jha”** “Blenders.”

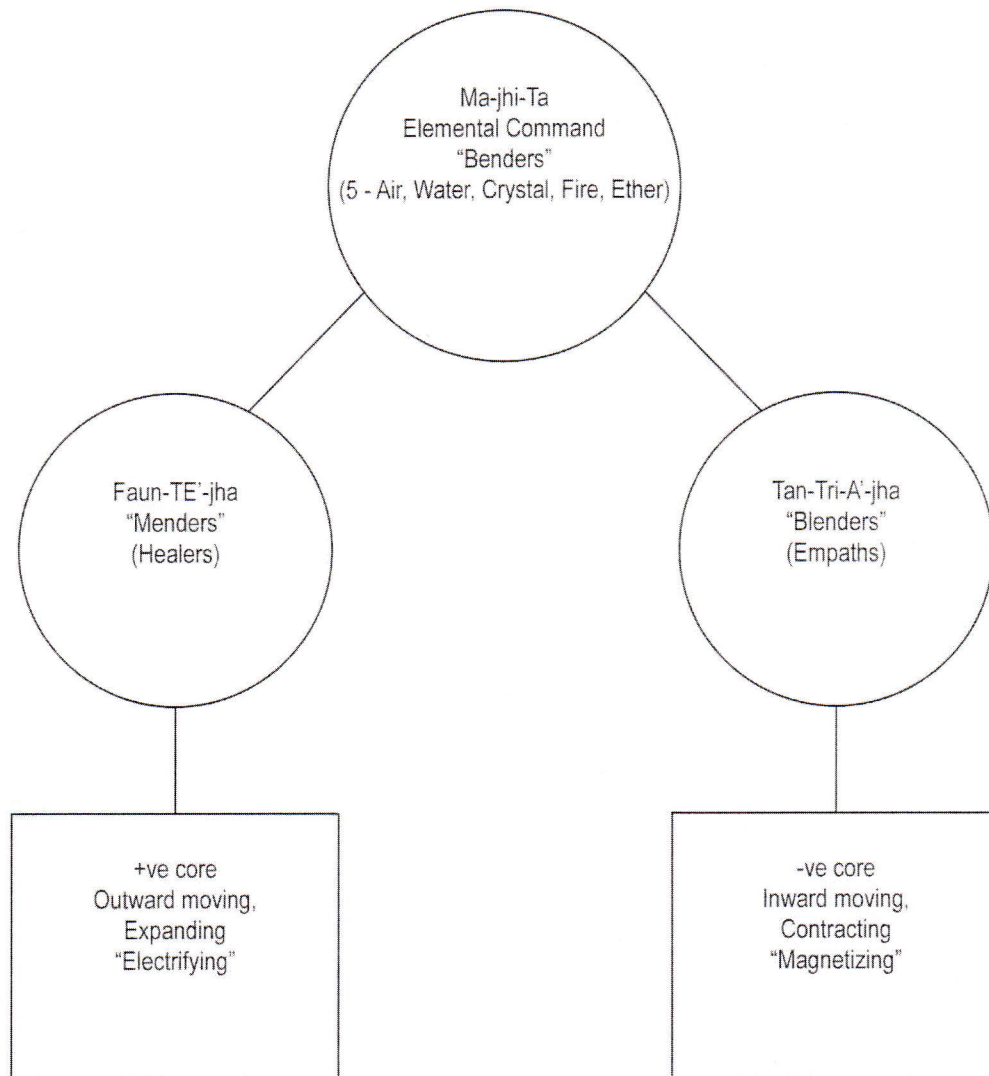

The **Tan-Tri-A’-jha** (“Tan-Tric”) **Shield** within the *Aquafereion Host Shield* activates 08/12-15/2011 (SL-11) via Code Activation of the “Tan-Tric Twin” Sets.

The **Faun-TE’-jha** (“Faun-Tic”) **Shield** activates 10/2011 during the India Shield Clinic.

The 13 Disciplines and 5 Command Postures of Krystic Elemental Command:

Intro to "The Disciplines"-Moving Meditations

The "Disciplines" are specific, slowly rendered energy movements by which the *DhA-ya-TEi Elemental Source Flows* are moved and directed through the physical-mental-spiritual body system via combined physical, mental and "e-motional" action. There are **12 Primary Disciplines** (movements), which are divided into **4 sets** of 3 Primary Disciplines. Each "Discipline Set" is referred to as the "**Posture of the Command**" to which it is associated; each of the 4 "Command Postures" embody 3 Disciplines/energy movements, which together serve to strengthen, accelerate, circulate and "keep biologically viable" the specific core aspects of the ***DhA-TEi Trans-harmonic Hydro-acoustic Base-Elemental Force Flows*** associated with the corresponding "Elemental Command". The "13th Discipline", known as the "Eternal Discipline", is a flowing combination of all of the 12 Primary Disciplines rendered in specific sequence; the "Command Posture" of the Ether Command IS this "Eternal 13th Discipline".

In relation to energy mastery within the physical-atomic-matter-systems, the "Holy Waters/Mha-Haah-Vhe" represents the physical/emotional/intuitive directional posture and energy circulation/movement which corresponds to and rides upon the "Sacred Butterfly"/DhA-ya-TEi" Air Command Core Posture.

From the Buddhist Teachings: The 5 As of Love

Acknowledgement for being who they are – what any being needs.

Allowance: Allowing them to be who they are, even if you don't agree or if you don't like it.

Attention: Constant flow of attention – Good relationships need a constant flow of attention. Make that... this is “us time.” This is “our time.”

Affection: It is very important – Affection is from parent to child, from grown child to parent, from couples to each other. Affection is from a person to animals, to trees, to grass to other people who really tick you off, to some of the crazy people that are acting crazy on the planet and killing each other etc... You can still hold an intention of affection, protecting yourself of course, from cannon-fodder from people that are caught in the V-V Game

Appreciation: AR7 – Appreciation for who they are even if it is not how you designed them to be. You did not design them.

Beloveds added one more....

Acceptance: **Accept them** exactly how they are. **See the perfection** in what they are even if it is so not perfect to what you think it should be. And this goes for yourself as well.

These are the **6 As** that you need to give to all of your relationships in whatever form appropriate to the relationships, **including the one with yourself**. When you are beating up on yourself because you are too fat, too skinny, too short....that kind of thing... that is not doing these things for yourself. You are denying yourself of the As. Now, if you do manage to get to a decent level of these 6 As in your relationships with self and others, it will lead to the 7th A... the Beloveds said,

“The BIG A = **A**scension!”

The 7 As are the key to Love, Life, Liberty and Freedom!
